

Join us at the **Swiss Biotech Day 2025** and explore the Swiss Biotech Ecosystem!

May 5-6,
2025
Basel,
Switzerland

The Swiss Biotech Day offers a unique platform to directly engage with the Swiss biotech ecosystem. More than 2'500 participants from more than 45 nations attended in 2024. In 2025, the event will again attract high-level life science experts from all over the world to discuss collaborative opportunities, trends in R&D, manufacturing, data management, AI and innovative financing.

Discover the latest advancements in the Swiss biotechnology ecosystems at the exclusive event in Basel, Europe's leading life sciences hotspot. Japanese biotech companies are invited to network with industry leaders, learn about cutting-edge research and build long-term and sustainable collaborations with the Swiss biotech ecosystem.

Why Attend?

Networking, matchmaking & partnering with ...

- Swiss and international biotech entrepreneurs and CEOs
- Medium-sized pharma companies that seek partners (in-/out-licensing)
- CRO and clinics that run or contribute to clinical trials
- Innovative start-ups, academic partners / TTOs seeking public/private partnerships
- Investors & VCs: discover investment opportunities in Swiss startups and connect with biotech investors

... by **participating** in:

- Company & startup pitch sessions and thematically focused panel discussions
- Pre-scheduled 1:1 partnering meetings
- Round table discussions and receptions
